

SOHAM NAIK

About Me

My name is Soham Naik, and I am an 18-year-old student with a deep passion for design. Currently, I am in my second year at Atlas Skill Tech University, where I am majoring in communication design. My interests extend beyond just design; I am also highly skilled in video editing and filmmaking. I am excited about the endless creative possibilities in these fields and eager to explore and push the boundaries of what can be achieved through my work.
